SKILLS

Teamwork - Comfortable with working in environments where groups have to work together and communication is key. Very open and willing to listen to others and eager to share my thoughts.

Communication - Speaking with others comes easy along with sharing ideas and listening to others. Open to criticism and strives to do better to create better ideas and solutions.

Hard Working - Willing to spend as much time needed to complete the project or problems. Not just to get the project done but to do accurate and exceptional work.

AWARDS

Lettered for varsity soccer in Junior and Senior year - I obtained the number of minutes it required to acquire a varsity letter.

DC Everest Varsity soccer Captain - During my senior year I was voted captain by my peers.

HOBBIES

Piano - Playing the piano is a pastime that takes time but has an amazing payoff. Playing for years now it is very enjoyable to show friends and family a talent that was refined.

Volleyball - Picking up basketball in sophomore year opened up avenues to make many more friends and develop teamwork skills.
